

BROOMIEKNOWE GOLF CLUB MASTERPLAN CONSULTATION

When? Saturday 25th June 2011
10.00am to 2.00pm

Where? Broomieknowe Golf Clubhouse
36 Golf Course Road, Bonnyrigg, Midlothian

In 2002 the Club entered into a contract with CALA to promote the Practice Area for residential development. The proceeds from the sale of the land would have allowed the Club to reinvest to ensure that it is capable of fulfilling our landowning obligations in the future. CALA continues to promote the Practice Area for housing, and they have developed initial thoughts on how this may be laid out and relate to both the existing community and also the Club's retained land.

We therefore invite all members to view and consider a Masterplan that has been prepared by the Club and CALA, considering the following;

- Clubhouse Proposals.
- Residential Development of the Practice Area.
- Course improvements.

Representatives of CALA and an appointed golf course designer will be on hand to describe the proposals in more detail.

The Club is keen to learn the views of the membership and the local community on the Masterplan. This will allow the Club to produce proposals on the most effective way forward.
