YOUR GUIDE TO ORDERING STEAK AT BROOMIEKNOWE

Rare

Succulent & full of juice, seared on the outside, otherwise red throughout with a cool interior

Medium Rare

Cooked a little more, still red & juicy, warm throughout

Medium

More of the juices cooked out, but still moist & succulent, mainly pink but with a warm red interior

Medium Well Done

Very little or no red left in the centre, firm in texture, with little juice remaining

Well Done

Cooked until brown throughout, with little or no pink in the centre and with little or no juice remaining. Whilst we appreciate that many customers prefer their steak well done, we don't want you to be disappointed so we should point out that your steak will lose a lot of its natural tenderness when cooked this way

Food Allergy Notice:

We can cater for most dietary requirements including allergens and gluten free – please be advised that food served here may contain milk, eggs, wheat, soya bean, peanuts, tree nuts, fish & shellfish. Please ask a member of staff if you need assistance.
